

# Agricultural Business Career Pathway

Santa Paula High School is proud to offer an Agricultural Business Pathway. Students explore career options in their 9th grade *Choices: College & Careers* class, and have the opportunity to select a pathway to start in the fall of the 10th grade year. With Agriculture the foundation of our local economic base, the demand for local jobs in this pathway will continue to be strong.

Take the first steps toward your future! Students with an interest in managing or the business end of operating nurseries, farms, or ranches should see their counselor to complete an application now!
