Are you safety walking to school? 1) Use Cross walks for your safety Look both ways, remember a car weighs 2,500 lbs and up with most cars weighing about 3,500 pounds. You will lose every time. Watch out for cars. 2) Walk with a friend(s) at least let your parent know your route to school. 3) If being dropped off pull over to the curb. Double parking or letting the student out in the street, the driver may be cited.

Security Offices are in the Ed Services Building
